About the cover: *The inset photo of Melissa Maines at the loom in Spruce Forest Artisan Village at Penn Alps, was taken by Karla Haines.*

I will never forget the date and time I shot the background photo. It was a beautiful but eerie morning on one of the mountains near Deep Creek Lake, Maryland. After I made it back to my car, a chill ran through me as I started the car and the radio announced the news, as it was happening. The date was September 11, 2001.
